

ANSMANN WL60W 18V Hybrid

Work light with 18 V adapter plates for tool batteries and mains cable

Features

- Work spotlight for 18 V battery or mains operation
- Robust plastic housing with integrated carrying handle (IK08)
- Four brightness levels can be selected via the on/off switch
- Battery capacity indicator, power indicator
- Including 3 adapter plates (Bosch, Milwaukee / DeWalt and Makita)
- Includes 5 metre mains cable with quick lock
- Illuminance up to 9000 lux
- Lighting power up to 6350 lumens
- Protection class: IP65 in battery mode (with cover) and IP44 in mains mode
- Option of tripod mounting

High Power LED

Luminous flux

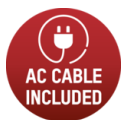

Protected against water jets

Shock resistance

Color Temperature

AC cable included

Including Adapter Plates

Article number: 1600-0715

Product content: LED work light, mains cable, 3 adapter plates, operating instructions

Specifications

Illuminant	COB-LED			
Illuminant power	60 W			
Protection class	IP65			
Power supply	Mains operation or with suitable 18 V battery			
Performance data	Mode	Maximum light range	Maximum luminous flux	Maximum brightness
	100%	95 m	6.350 lumens	9.000 Lux
	75%	83 m	4.780 lumens	6.970 Lux
	50%	70 m	3.250 lumens	4.860 Lux
	25%	50 m	1.450 lumens	2.490 Lux
IK Protection Class	IK08			
Colour temperature	6000 - 7000 K			
Energy efficiency class	E			
Housing material	Nylon, rubber & aluminium			
Color	anthracite			
Operating temperature	-10 - 40 °C			
Storage temperature	-20 - 45 °C			
Dimensions	290 × 252 × 170 mm
