ANSMANN FL800R

- ANSMANN Luminary Flex rechargeable work floodlight with 10 W SMD LEDs and a lighting power of up to 900 lumens
- Three brightness levels can be selected via the on/off switch - always optimum illumination for the task at hand
- The homogeneous illumination is ideal for working in indoor and outdoor areas
- Can also be used without a power outlet - Integrated li-ion rechargeable battery pack (7.4 V / 2200 mAh Lithium) with safety electronics to protect against over-loading and deep-discharge
- LED rechargeable battery capacity indication – check the available capacity
- Including suitable mains adapter for charging the rechargeable battery pack
- Splash-proof (IP54) - can be used indoors and out
- Very pleasant LED light with a colour temperature of 5000K (daylight)
- Versatile use thanks to the sturdy adjustment bracket - the adjustable support can be adjusted up to 80°, and the light head a full 360°!

INFORMATION

Product name	FL800R
Part No.	1600-0274
EAN-Code	4013674154340
Customs tariff number	94054039900
Product content	FL800R, mains adapter, operating instructions:

Product	170 × 117 × 240 mm / 914 g
Packing + Product	220 × 82 × 235 mm / 1146 g
Packing Unit	6 (520 × 235 × 255 mm)
