ANSMANN Cabinet light S

- ANSMANN Cabinet light S with a motion sensor
- A choice of 3 different colour temperatures (3000K / 4000K / 6500K)
- Integrated rechargeable battery (Li-Po 3,7V / 350mAh) provides sufficient energy - up to 1100 activations
- With an integrated motion and twilight sensor - the light therefore lights up only when motion is detected in the dark
- Multifunctional: a choice of 3 different colour temperatures
- Double-clicking the button switches the light to the continuous lighting mode
- Pressing and holding the button dims the light
- 3 year ANSMANN Germany manufacturer's guarantee
