

ANSMANN Powerstation expansion module PSE600

3 Years Warranty*

The extension module with 640 Wh for the power station PS600AC doubles the runtime of your application in no time!

Features

- Expansion battery for Powerstation
- Capacity: 640 Wh
- Safe lithium iron phosphate battery (LiFePO4)
- Connection for charging and discharging with only one cable

Expansion module for Powerstation

Capacity

Up to 3000 charging cycles

Cable for charging and discharging

Protection functions

Article number: 1700-0169
 Product content: Expansion battery, connection cable, operating instructions, warranty card
 Customs tariff number: 85076000900
 Packing Unit: 1 Packs (311 × 286 × 332 mm)

Specifications

Nominal voltage	12,8 V
Cell chemistry	Lithium iron phosphate
Nominal capacity	50000 mAh
Energy	640 Wh
suitable for	Ansmann Powerstation PS600AC
Maximum power	600 W
Color	black
Operating temperature	-20 - 55 °C
